# HOW TO MEASURE

- For best results, have someone else take measurements.
- Measure body in underwear.
- Tape must be snug but not tight.
- If measurements fall between two sizes, order the larger size.

- HEAD** Around your head, from the center of the forehead, above the ears and over the natural bump at the back of the head.
- ARM LENGTH** Let the hands hang down on the side in a slightly bent position. Measure from the center of the back of your neck, along the length of your arm, to the wrist.
- CHEST/ BUST** Measure under your arms, around the fullest part of your chest.
- WAIST** Measure around your natural waistline, keeping one finger between the tape and body.
- HIPS** Across the fullest part of the seat.
- INSEAM** Without shoes, from crotch to the floor.

# PROMOUNT PLOWS

The new ProMount lineup was created for both professional operators and enthusiasts looking to take their tool kit to the next level. Designed to work as efficiently as possible, Can-Am reimagined the plow from frame to blade.

- FIT & COMPATIBILITY
- QUALITY & RELIABILITY
- STYLE & VISION

## MOST EFFICIENT MOUNTING SYSTEM

Underbelly mounting plate provides the optimal angle of attack for best pushing capacity.

The forward mounted push frame provides industry leading lift height.

Low profile mounting plate has little impact on ground clearance and can be left installed year round.

## CONNECTS WITH A CLICK

Attachable in **FOUR EASY STEPS**, the Can-Am ProMount plow system is the fastest, easiest way to start plowing and get the job done—minimal effort for maximum result.

1 Drive straight toward the plow.

2 Attach the winch cable to the plow using a guiding hook/roller.

3 Lift the plow until it clips onto the mounting plate.

4 Remove the winch cable from the guide. You're ready to plow.

- CHEST/ BUST** Measure under your arms, around the fullest part of your chest.
- WAIST** Measure around your natural waistline, keeping one finger between the tape and body.
- HIPS** Across the fullest part of the seat.
- INSEAM** Without shoes, from crotch to the floor.
